

b

Life-history Example: XXX was born in a rural area and moved to the city with her family at the age of three or four. After graduating from high school, she did not pursue further education and, through her uncle's connections, went to work at a department store in xx, where she was employed for over two years. During this period, she met a truck driver who later became her husband, and they got married after a period of dating. She then returned to xx. (...approximately 7,000 words omitted...)

c
